Citizen concerns

Update from August – Cell tower on County Road FA. A permit was issued in 2024. This was an antenna upgrade with no change to the structure. Only added new antenna at the top.

Update from Resident – W5430 County Road FA – Resident is working on cleaning it up. Has cleaned out the shed and taken 5 loads to Alter. He has 6 vehicles that are not registered and is planning on putting 5 of them in the shed but the last one will still be outside on the 60 day deadline of September 11.

Resident is putting in new septic system and would want to deposit extra dirt within town right of way on existing rock on Peters Road. Also, depositing dirt temporarily in ditch.
